LED CORN LAMPS

**Venture Lighting is proud to introduce their new range of LED Retrofit Corn Lamps.
This complete range of LED lamps replaces traditional halogen, incandescent and HID lamp sources, encompassing all the benefits of LED innovation and technology.**

The Venture LED Retrofit Corn Lamp range incorporates the very latest in LED technology, developed to achieve the most optimum energy efficiencies and energy savings. With built in multi-directional light distribution as standard and cooler running temperature's, this makes the Venture LED Retrofit Corn Lamp range ideal for a wide range of applications.

- Integrated high power drivers so no control gear is needed
- Active cooling to maximise LED efficiency and lamp life
- High colour rendering index for quality output
- Installation in indoor and weatherproof fittings
- -40ºC to 45ºC ambient temperature range
- CE, RoHS, ECA and IP20 conformity

	Cat No.	Watts	Description	Lumens
A	CL20ESDL	20	Retrofit Corn Lamp 2400lm, 150D, E27, 860	2400
B	CL30ESDL	30	Retrofit Corn Lamp 3600lm, 195D, E27, 860	3600
C	CL40ESDL	40	Retrofit Corn Lamp 4800lm, 215D, E27, 860	4800
D	CL60ESDL	60	Retrofit Corn Lamp 7200lm, 245D, E27, 860	7200
E	CL80GESDL	80	Retrofit Corn Lamp 9600lm, 255D, E40, 860	9600
F	CL100GESDL	100	Retrofit Corn Lamp 12000lm, 265D, E40, 860	12000
