SOX-LED REPLACEMENT LAMP

SOX Retrofit LED Lamps are a highly efficient replacement for use in existing enclosed SOX luminaires, featuring an integral LED driver for quick and easy installation.

BEI | lighting

lighting from the ground up

Features

- Direct replacement for SOX.
- Integral LED driver.
- Easy installation.
- Rotatable End Cap.

Benefits

- 5 Year Rated Life
- Bi-90 Directional LED arrangement.
- Long lifespan.
- Excellent heat dissipation.

Applications

- Streetlights
- Floodlights

Performance Data						
Part Code	Description	LPW	System Power	Lumens	CCT	Ra
SOXLED35	17w LED SOX RETROFIT LAMP 422mm, B22d, 840	123	17W	2,100	4000	80
SOXLED55	25w LED SOX RETROFIT LAMP 422mm, B22d, 840	128	24W	3,200	4000	80

Electrical Data						
Part Code	Input (V) ±10%	Input (Hz)	LED (W)	Input (A)	Electrical Class	Efficacy
SOXLED35	220-240	50/60	17	0.1	2	280
SOXLED55	220-240	50/60	24	0.15	2	420

Physical Data					
Part Code	Case Material	Diffuser	Dimensions(mm)	Base	Weight(kg)
SOXLED35	POLYCARBONATE	POLYCARBONATE	422 X 54	B22d	0.7
SOXLED55	POLYCARBONATE	POLYCARBONATE	422 X 54	B22d	0.7

Environmental Data				
Max. Ambient (°C)	Min. Ambient (°C)	Thermal Cooling	Warm Up Time	Energy Rating
30	-40	POWER FOLD-BACK IF MAX TEMP IS EXCEEDED	INSTANT	A+
